De-Matting Policy

Pooches Paradise will not de-matt any dog if it is determined that it will cause inordinate pain, discomfort or stress to your dog.

Shave-Down Authorization

If it is determined that your dog's coat is too matted to brush out, we provide the following options:

- I authorize Pooches Paradise groomer to remove matting by shaving the affected areas. Even with due care, during a shave down, it is possible for your pet to be nicked, cut or experience razor burn.
- Please call me for an approval prior to any shave down.

Your signature below acknowledges that you are aware of the risks and releases Pooches Paradise from any responsibility for any trauma to the dog as a result of a full or partial shave down.

I hereby agree to the foregoing as the owner of the aforementioned pet.
